

### The D&B® Small Business Financial Exchange (SBFE)Score

Last updated April 01, 2024

# 942

A score of **942** means your business is perceived to be at **Low Risk** of potentially making a late financial services payment over the next 12 months.

High Risk  
706 - 799

Moderate-High Risk  
800 - 839

Moderate Risk  
840 - 879

Low-Moderate Risk  
880 - 899

**Low Risk**  
**900 - 999**

#### About this score

This score is calculated using the Delinquency Predictor Score data plus financial services payment data reported to the [Small Business Financial Exchange \(SBFE\)](#) by its member financial services companies (e.g., banks, leasing, and credit card companies).
